

Account Deletion Policy

This Account Deletion Policy applies to applications and services powered by XXXx and explains how end users can request deletion of their accounts and associated personal data.

How to Delete Your Account

To delete your account:

Please find the user account deletion steps below, which can be added to the Account Deletion page for Play Store compliance:

1. Open the application and log in to your account.
2. Go to the Profile/Account section from the bottom menu.
3. Click on "Delete Account" from the list of options.
4. On the Delete Account screen, select the checkbox to confirm that you want to permanently delete your account, then click on "Close My Account".
5. Your account will then be permanently deleted.

Once the request is submitted, the account deletion process will be completed permanently.

Data Deleted

When an account is deleted, the following user information is removed from the system:

- User profile information
- Name
- Email address
- Phone number (if available)
- Profile image (if available)
- Account preferences and associated user data

Important Information

- Account deletion is permanent and cannot be undone
- Access to services associated with the deleted account will no longer be available
- Users who wish to use the service again must create a new account

Data Retention

Certain information may be retained only where required for:

- Legal obligations
- Security purposes
- Fraud prevention
- Regulatory compliance

Any retained information is handled securely in accordance with applicable laws and regulations.
